QUALIFICATION SYSTEM FOR THE XXIII OLYMPIC WINTER GAMES PYEONGCHANG 2018

NOCs that have only one (1) or more athlete/s of the same gender who meets the A Qualification Eligibility Criteria, may enter one (1) athlete of the other gender in the sprint event or the 10 km (ladies)/15 km (men), subject to the athlete having a maximum of 300.00 points in the respective event (distance/sprint) on the Olympic FIS Points List published on 22 January 2018.

D.2 NOCs with athletes ranked in the Top 300 of the Olympic FIS Points List

Each NOC with at least one (1) male and/or one female athlete ranked in the top 300 of the distance or sprint on the Olympic FIS Points List will be allocated one (1) additional quota place in the respective gender.

D.3 NOCs with athletes ranked in the Top 30 of the Olympic FIS Points List

Each NOC with athletes ranked in the top 30 of the Olympic FIS Points List will be allocated additional quota places up to a maximum of four:

D.4 Remaining quota places using the Olympic Quota Allocation List

The remaining Cross-Country quotas places, up to the maximum total of 310, will be allocated to NOCs based on the Olympic Quota Allocation List. The allocation will be made by assigning one (1) quota place per athlete from the top of the standings downwards until the total of 310 is reached, including the host nation quota places for the relay teams if they are not achieved through D.2, D.3 or on the Quota Allocation List. During this process, once a NOC has achieved the maximum total number of 20 places its remaining athletes will no longer be counted and the next eligible NOC on the Olympic Quota Allocation List will be allocated a place.

If there is a tie for the final allocated quota place(s) the athlete with the best ranking on the Olympic FIS Points List will be ranked ahead.

The table used to allocate points to the top 500 in distance and sprint follows a similar graphical line as the system used for World Cup points and can be found at the end of this document.

For the allocation of quota places, an athlete will only be counted once either as a quota from D.1, D.2, D.3 or D.4 of the Olympic FIS Points List using the most favourable option for the NOC to obtain the maximum possible number of quotas places.
