F. REALLOCATION OF UNUSED QUOTA PLACES

REALLOCATION OF UNUSED QUALIFICATION PLACES

QUALIFICATION SYSTEM – LAUSANNE 2020 WINTER YOUTH OLYMPIC GAMES

Any allocated quota places that are returned/not confirmed by the respective NOC will be reallocated in the following order, as described in “**Qualification Pathway**” above:

- 1st priority (singles and doubles): Reallocation to the next best ranked NOCs not yet qualified, whose athlete has achieved the minimum standard of FIL according to the overall ranking Youth A World Cup as described in D.1.2 and D.2.2.
- 2nd priority (singles): Reallocation to the second (2nd) best athlete of the next best ranked NOCs already qualified in accordance with the athletes’ overall ranking from the Youth A World Cup as described in D.1.3.

If, following the priorities listed above, there are still unused places in a specific event, the FIL may increase the number of athletes participating in the other events within the framework of the IOC quota for Luge of 100 athletes, according to the following criteria:

A. The still remaining quota places will be shared within the gender:

For example:

- *Only 10 Women’s Doubles out of the Maximum 15 Women’s Doubles Quota Places are filled. This means that there are 10 women athlete quota places not filled. These places will be allocated to the Women Singles.*
- *Only 10 Men’s Doubles out of the Maximum 15 Men’s Doubles Quota Places are filled. This means that there are 10 athlete men quota places not filled. These places will be allocated to the Men Singles.*

B. Secondly, if it is not possible to reallocate equally by gender, then the remaining places will be allocated to the event that had the largest number of sleds racing in any Youth A World Cup race in the YOG season up until 8 December 2019.

REALLOCATION OF UNUSED HOST COUNTRY PLACES

If the Host Country qualifies through D.1 and/or D.2 or if it declines any of its quota places, then quota place(s) will be reallocated to the next best ranked NOC in the specific event as described in section F. Reallocation of Unused Qualification Places.
